

TRANSITIONS:

TOOLS AND STRATEGIES FOR SUCCESS

Led by Lori Darley

We are very pleased to announce that in Fall 2008, The Transitions Institute and The Transitions Coach will be co-sponsoring **Transitions: Tools and Strategies for Success**.

Over the past 12 years, the Transitions Program has successfully guided thousands of individuals in designing and implementing personal and professional transitions.

Transitions: Tools and Strategies for Success is designed to be delivered in a small seminar format, making the original Transitions Program available to a larger audience. Similar to the Transitions Process in content, this program consists of four evening sessions, each four hours in length, at a cost of \$2,400 per person (please inquire about our money back guarantee).
